

HAIR REMOVAL SERVICES

THREADING & WAXING

Threading is an ancient method of hair removal using a cotton thread, removing unwanted hair at the follicle. For our waxing services, we use Berodin blue hard wax for a gentle yet effective result.

KERATIN HAIR SMOOTHING TREATMENTS

All treatments are free of Aldehydes. Keratin Smoothing Treatments give hair shine, strength, smoothness, and elasticity by providing the hair with keratin; a fibrous protein found naturally in the hair, acting as a shield against humidity.

Natural Keratin Treatment **\$295.00**

For any hair type with frizz and/or curl, seeking the longest lasting smoothness, manageability, and protection against humidity. Results may last up to 5 months.

Advanced Glycolic Treatment System **\$245.00**

A three step system for any hair type with frizz. For the guest who wants the convenience of same-day shampooing and conditioning. This system controls and refines the natural curl. Results may last up to 3 months.

Express Keratin Blowout **\$125.00**

Using the Speedy Smoothing Solution, this treatment is for any hair type with frizz, and perfect for the guest who is trying keratin for the first time, or looking for a quick smoothing solution. Results may last up to 6 weeks.

Vital Shot Keratin Booster **\$45.00**

A remedy to repair your keratin and boost is back to life. This treatment is perfect for the guest who is seeking to prolong their smoothing treatment appointments.

HAIR THERAPY TREATMENTS

Intended to treat any hair type.

Therapy doses can be added to a hair service, or stand alone.

Olaplex Hair Perfecting Treatment **\$25.00 & up**

Olaplex reconnects broken disulfide sulfur bonds in the hair. Free of silicone, sulfates, phthalates, DEA, Aldehydes, and gluten. Results should last permanently.

AVEDA Botanical Protein Treatment **\$20.00**

With potent plant actives, quinoa, and sugar-beet derived amino acids, this treatment deeply penetrates hair to intensely strengthen and repair weak, damaged, and dry hair.
